# Table of Contents

LIST OF FIGURES .....	i
ABSTRACT .....	ii
Chapter I.....	1
Introduction .....	1
Chapter II .....	4
Materials and method .....	4
Sample collection .....	4
Culture media preparation .....	4
Amplification of Phages .....	4
Bacteriophage isolation and plating .....	4
Working Scheme .....	5
Chapter III.....	8
Result.....	8
Chapter IV.....	10
Discussion .....	10
Chapter V .....	11
Limitations .....	11
Chapter VI.....	12
Conclusion.....	12
Chapter VII .....	13
References: .....	13
<i>Acknowledgement</i> .....	16
Biography.....	17
